

2020 Junior Tennis Academy

(June 15-August 7)

Welcome to the 2020 Junior Tennis Academy at Radley Run! We are aware of this very unusual time and we will be doing everything we can to keep the children healthy by following the safety guideline.

The tennis Academy is an organized instructional and match play program that stresses tennis technique, fitness, the rules of tennis and tennis etiquette for all skill levels. The Tennis Academy runs from June 15th through August 7th. Participants will have three clinics per week, with two days of group instruction and one day of match/game play.
